Additions and alterations to Imperial Service Buildings at Bangalore.

- - - - - - -

The Chief Commandant recommends the following additions and alterations to the Imperial Service Lines carried out during the current year vide Mr Whiteley's letter herewith submitted.

1. Two latrines for the families of conservancy establishment -- Rs -- 320/-
2. Glass tiles or skylights for Officers' and Sowars' quarters - - - - - - - Rs --3540/-
3. New drains on the eastern side of the Officers' lines 330/-
4. Conversion of V shaped drains into U shaped drains --- 362/-
5. Inserting grooved and dressed stones slabs for drains in latrines - - - - - - - - - - 660/-
6. Flooring Officers' quarters and Sowars' huts with Kadappa slabs - - - - - - 25009/-

Contingencies - - - - - - - 1655/-

Total Rupees 34754/-

Works 1, 2, and 3 noted above are in my opinion advisable and necessary. The other works are not urgent. No 6 Stone flooring for the Officers' quarters can stand over till funds are available.

The only reason for tiling the Transport Line floors in the old Sowars lines was because there had been so much plague there but we did not tile the floors in

in the New Lines nor do I think it necessary in the Officers' houses of the Sowar Lines.

I propose replying to Mr Whiteley saying you approve of the following items of his para 4 viz

No IV - - - -Rs 320/-
V - - - 3540/-
VII - - - 862/-
VIII - - - - 660/-

only. The remainder to await Funds.

5,382

Yes- if money can be shared without additional grant. The Officers' houses will have to wait over.

No. 4196 Dated Bangalore, 27th July

From,

J.J.Whitelaw, Esquire, M.C.E.,

Superintending Engineer, [illegible],

Bangalore Circle.

To,

Lieutenant Colonel L.G.Jones,

Military Assistant to the

Government of Mysore.

Sir,

With reference to your endorsement No. 110 of 14-7-34, forwarding to this Circle Office for compliance, the Chief Commandant's letter No. 69 of 30th June, regarding certain alterations and additions to the HEREDITARY SERVICE BUILDINGS at Bangalore I have the honour to return herewith the plan approved and returned, as desired in the above letter, after making the necessary alterations and improvements in red ink on the same.

2. The Chief Commandant's letter referred to above was attached a Statement showing the items of works that were considered necessary by the Commandant.

3. Of the 11 items in this statement the first three Viz :-

I. [illegible], Quarters, [illegible] Schools.

II. Wages for Sweepers.

III. Wells for which have been [illegible] of consideration for [illegible], as the Chief Commandant in his letter No. 69 of 1-6-34 states that these will be [illegible].

4. In the Financial Statement for present estimate provides for and follows :-

Item IV. The Municipal Board of Conservancy

[illegible] .....₹ 320

V. Class Three or Sepoy Lines for Officers Quarters and Servants Lines..... 3540

VI. New Drain in the Eastern side of the Officers Lines..... 350

I

VII. Conversion of V shaped drains into U shaped drains ₹ 862

VIII. Inserting grooved & dressed stone slabs for drains in the Latrines.....₹ 650

IX. Flooring Officers' Quarters & Sowars' Huts with Kadapa Slabs.....₹ 25009

XI. Paving the pials with stone slabs.....₹ 2383

Total ₹ 33104

Add Contingencies.....₹ 1655

Grand Total..₹ 34759

Add as per estimate marked A for constructing a Compound wall in front and wire fence in rear of Commandant's Quarters.....₹ 788

Total Cost ₹ 35547

(a). Item X - Blue washing the exterior of the Officers Quarters and Sowars Huts has not been provided for in the above estimate as it has been ascer-tained from the Executive Engineer that this item of work is already being done by the Military Department.

(b). Again as regards item IX, Kadapa stone flooring is pro-vided in lieu of tile flooring proposed by the Regiment-dar, the latter kind of work costing ₹ 14000 more than the former. This is a costly item and it is hardly likely that Government will sanction this unless it is absolute-ly necessary.

(c). Further, Compound wall and fencing to Commandants Quarters Vide Estimate marked A is not included in the Regiment-dars List of works proposed but is reported to be neces-sary.

5. All the above Estimates have been countersigned by the f Commamdant but it must be noted that the insertion of Rupees 9 in the Estimate for Kadapa Stone Flooring is a subsequent tion made under my instructions.

I am therefore to request the favour of being informed whether the several proposals noted in the above statement have your approval.

2. Plans in triplicate and blue prints in the P.W.D. Board's form 1 a estimates (four in duplicate) of the works should be handed up at once which will form the basis for obtaining the required funds.
